PETITIONER'S COMMENTS

Please accept these comments as restated below from  
Proponents original petition.

## DISCUSSION

Petitioner respectfully submits that the public interest would be served by allocating Channel 265C3 to Big Spring, Texas as that community's second competing commercial FM service. Big Spring is an incorporated community with a population of 25,223 people.<sup>1</sup> Big Spring has its own post office, its fire department, its own city hall, police department, independent school district and a number of local churches. The proposed channel 265C3 will provide additional diversity and an outlet for local self-expression to Big Spring residents and therefore is in the

<sup>1</sup> Texas Almanac 2002/2003

public interest.

Should this petition be granted and Channel 265C3 is allotted to Big Spring, Petitioner will apply for Channel 265C3 at Big Spring and after it is authorized, will promptly construct the new facility.

The factual information provided in these Comments is correct and true to the best of my knowledge.

Respectfully submitted,
